

Services

Air Gap Measurement
 Alignment, Shaft
 Anchor (tiebacks and tiedowns) Installation
 Appraisals, Valuation
 Automation
 Balancing
 Bearing Rebabbiting and Repair
 Cavitation-Erosion Repair
 Cofferdam Installation
 Computer Analysis
 Computer-Aided Design and Engineering
 Concrete Cutting, Drilling, Coring, Construction, and Repair
 Construction
 Construction Management
 Construction Monitoring
 Contract Maintenance Services
 Controls/Instrumentation Engineering
 Corrosion Control
 Cutoff Wall/Waterstop Installation
 Dam Design
 Dam Inspection/Monitoring
 Dam Repair
 Engineering and Design
 Environmental Monitoring
 Environmental Permitting
 Environmental Studies
 Equipment Consulting/Installation
 Feasibility Studies
 Field Performance Testing
 Financing/Financial Consulting
 Fire Protection
 Fish Facility Design/Installation
 Fish Monitoring
 Flow Measurement
 Foundation Engineering
 Full-Service Project Development
 Generator Inspection/Testing
 Generator Repair
 Generator Rewinding
 Geotechnical Analysis and Design
 Grouting, Seepage Control
 Hydraulic Model Studies
 Hydrological
 Index Testing
 In-Place Repairs and Services
 Inspection
 Joint Venture Development
 Liner Design/Construction
 Machining
 Maintenance and Repair, Miscellaneous
 Management Consulting
 Noise Analysis/Abatement
 Nondestructive Testing
 Operations, Maintenance
 Penstocks, Conduits Construction/Repair
 Plant Refurbishment, Upgrade, Rehabilitation, Modernization
 Power Sales Contracting
 Power Systems Planning
 Project Development
 Project Management
 Pump/Compressor Maintenance and Repair
 Reservoir/River Modeling
 Risk Assessment/Risk Management
 Safety Analysis and Inspection
 Sedimentation Studies
 Siting Studies

This index provides a guide to all categories covered in the Services and Products sections that follow. Use this index to locate categories you wish to research, then turn to the appropriate section to find an alphabetical listing of the companies offering these services or products.

Start Up
 Surge Tank Design
 Testing, Investigation, Inspection
 Training
 Tunneling, Design/Construction/Inspection
 Turbine Design/Modeling/Repair
 Turnkey Construction
 Underwater Inspection and Repair
 Underwater Welding and Construction
 Valve Maintenance and Repair
 Vibration Monitoring and Analysis
 Water Treatment
 Water-to-Wire System Packaging
 Welding

Products

Actuators
 Anchors, Tiebacks, Tiedowns
 Automatic Synchronizers
 Batteries/Battery Chargers
 Bearings
 Bearings, Self-Lubricating/Greaseless
 Bolting Devices/Expansion Joints/Fasteners/Tensioners
 Castings/Forgings
 Cavitation Monitoring Equipment
 Coatings/Lining Materials
 Compressors
 Computer Software
 Concrete-Related Equipment
 Condition Monitoring Systems
 Control Systems
 Controllers, Energy Management
 Controllers, Meters and Instruments
 Cooling Equipment
 Couplings
 Cranes, Hoists
 Dam Construction/Repair Equipment
 Dams
 Data Loggers and Acquisition Systems
 Desander Plants/Equipment
 Electrical Equipment
 Elevators
 Exciters/Excitation Systems
 Filters, Piping and Valves
 Fish Screens
 Flashboards
 Gages, Liquid Level
 Gages, Pressure
 Gate Hoists
 Gate Seals
 Gates
 Gearboxes
 Generator Components (including wedges, poles, coils)
 Generators
 Geosynthetics
 Geotechnical Instrumentation
 Governors

Grouting Equipment
 Hydraulic Power Systems
 Indicators (flow level, pressure, temperature, water quality)
 Instrumentation Equipment
 Instruments, Civil Monitoring
 Instruments, Measuring
 Level Controllers
 Lubricants/Lubrication Systems
 Meteorological Instruments
 Meters
 Monitoring Equipment
 Motors, Motor Controls
 Oil Removal Systems
 Penstocks
 Pressure Monitoring
 Pressure Vessels
 Process Control Systems
 Programmable Logic Controllers
 Public Safety/Security Equipment (boat barriers/booms/buoys)
 Pumps
 Regulators
 Relays
 Remotely Operated Vehicles (ROVs)
 Rock/Core Drilling Equipment (rigs, tools, compressors)
 Rubber Dams
 Safety-Related Equipment
 Screens
 Seals/Packings/Gaskets
 Strain Gages
 Substations
 Supervisory Control Systems
 Switchgear
 Tanks
 Telemetering Devices
 Temperature Monitoring/Thermocouples
 Test/Inspection Equipment
 Training Programs
 Transducers
 Transformers
 Trashracks/Screens
 Trashrakes/Trash Removal Equipment
 Turbine Runners and Blades
 Turbines, Francis
 Turbines, Kaplan
 Turbines, Micro/Small
 Turbines, Other
 Turbines, Pelton
 Turbines, Reversible Pump
 Valve Actuators
 Valves
 Vibration Monitoring
 Voltage Regulators
 Warning/Restraint Equipment
 Water-to-Wire Systems
 Weirs
 Welding Equipment and Supplies
